

Finding Dissertations and Theses

Divine Mercy University has access to many dissertations and theses with ProQuest. This document explains how to navigate to the ProQuest Dissertations and Theses database where you can find and access dissertations and theses, including those done at the Institute of Psychological Sciences or Divine Mercy University.

1. **Navigate to the library's website at <https://library.divinemercy.edu>.** It is recommended that you create a bookmark or a favorite with the library website for future use. Please contact the library if you need assistance with creating this.

2. **Next, log into the library system.** Click the "Library Log-In" button at the top of the navigation bar, and use your unique barcode and password. This will take you to a search page.

3. Under the Resources menu, select the Library Databases option. This will take you to a list of databases, including the ProQuest Dissertations and Theses database.
