

Accessing the DSM-5-TR

1. **Navigate to the DMU Library home page at** <https://divinemercy.edu/library/>. We recommend that you bookmark or favorite the page so that you can easily return in the future. For assistance on this, please contact the library.

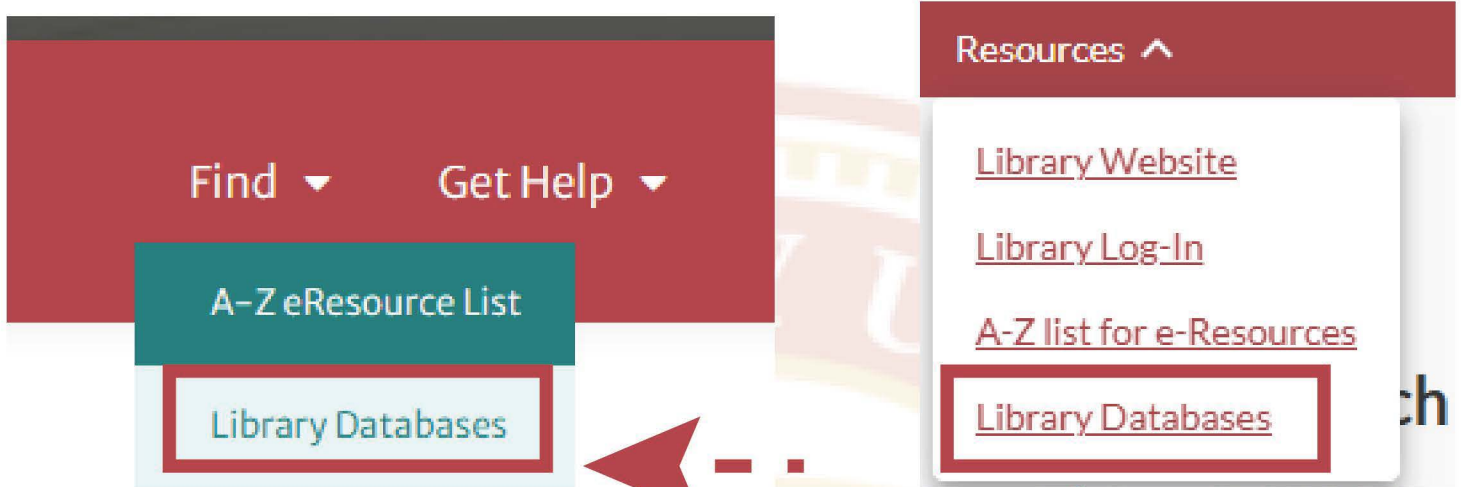

2. **Sign in using the “Library Log-In” link at the top navigation bar.** Doing so will allow you to utilize more of the library’s electronic resources that require authentication. Then, sign in using your unique barcode you got via email, and password. You will be forwarded to a search page.

A screenshot of the library website's top navigation bar. The bar is dark red and contains several links: 'Find', 'Get Help', 'Services', 'Writing Center', 'About', and 'Library Log-In'. The 'Library Log-In' link is highlighted with a red box. A red dashed arrow points from the right side of the page towards this link.

Find ▾ Get Help ▾ Services ▾ Writing Center ▾ About ▾ **Library Log-In**

3. Then under the “Find” or “Resources” menu, navigate to the “Library Databases” link.

4. This will take you to the Library Databases page. There, select the “Psychiatry Online Premium” option, found under “Other Links”.

Other Links

Differential Diagnosis

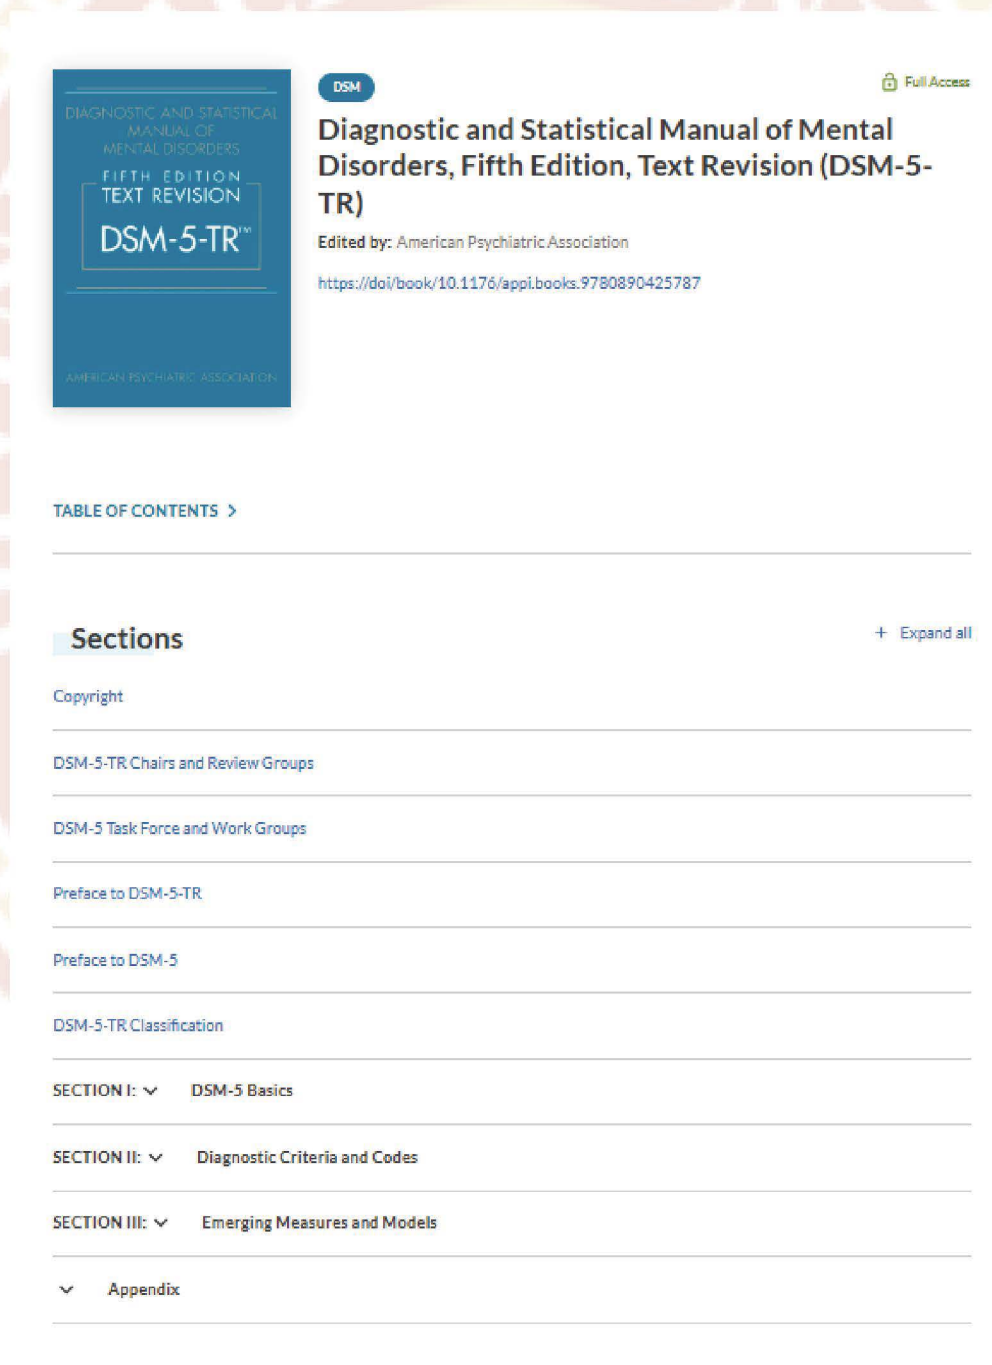

DSM-5® Handbook on the
Cultural Formulation Interview

6. Navigate the table of contents to choose the DSM-5-TR section you wish to access.

-Full Access

-Each section provides detailed diagnostic criteria, classifications, and supporting information.

The screenshot shows the table of contents for the Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, Text Revision (DSM-5-TR). The page features a blue book cover on the left and a white content area on the right. The content area includes a 'Full Access' icon, the title 'Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition, Text Revision (DSM-5-TR)', the editor 'American Psychiatric Association', and a DOI link. Below this is a 'TABLE OF CONTENTS >' section with a 'Sections' heading and an 'Expand all' button. The table of contents lists various sections, including 'SECTION I: DSM-5 Basics', 'SECTION II: Diagnostic Criteria and Codes', 'SECTION III: Emerging Measures and Models', and 'Appendix'.
