# APA PsycInfo Tutorial Citation Mapper

## Step 2

The screenshot shows the APA PsycInfo interface for a journal article. At the top, a red banner reads "Step 2". Below it, a blue menu icon is visible. The article title is "Age-friendliness of community and sleep quality: The role of mental health." by "Yang, Huiting et al.". A button for "FULL TEXT FROM PUBLISHER" is present. Below this is an "Explore" tab with a blue background. A red callout box with the text "Click Citation Mapper" points to the "CITATION MAPPER" option in the explore menu. Other options in the menu include "AUTHOR MAPPER" and "JOURNAL". A vertical "FEEDBACK" button is on the right side of the interface.

CLICK!

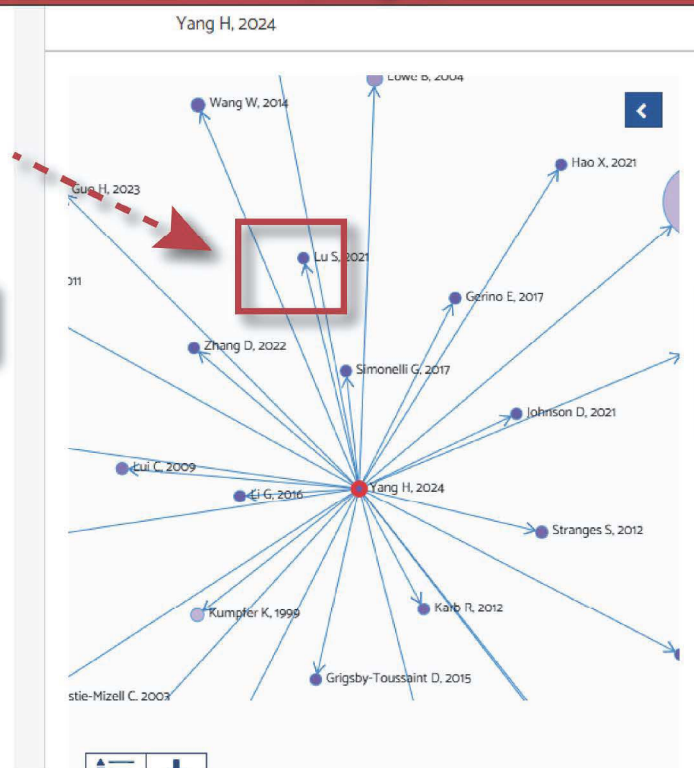

In the blue **explore** tab,  
click **Citation Mapper**

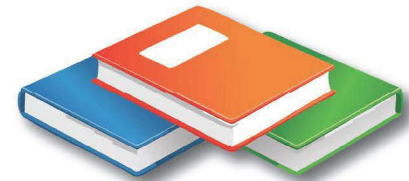

## Step 3

Yang H, 2024

### Select an Author

Selecting an author will bring up their publication history.

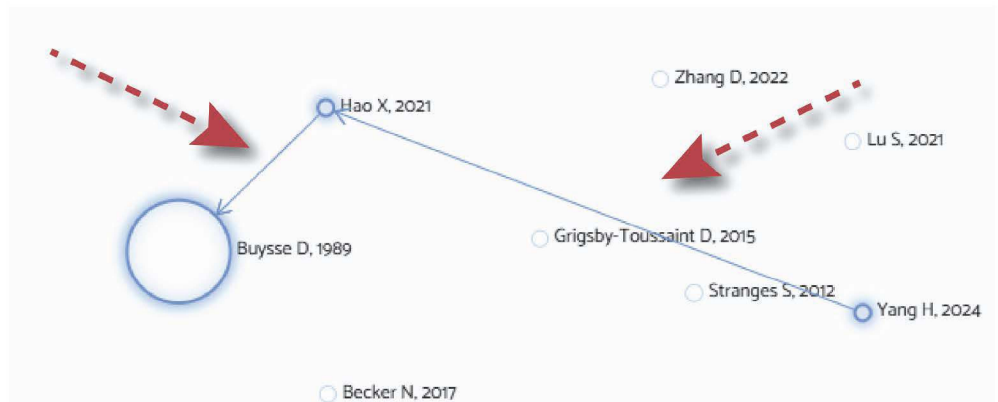

- Select an author bubble
- You will be able to view the author's citation history, as well as see relationships between other authors

## Step 4

### Explore Relationships

Arrows indicate citation relationships.

Click on the title of the book you are searching.
