

PsycINFO Research Services Author Mapper

Step 1

The screenshot shows the PsycINFO Author Mapper interface. At the top, there is a search bar containing the text "APA Handbook of Trauma Psychology". Below the search bar are several interactive elements: a button labeled "ANALYZE & FILTER" with a filter icon, a "Filters applied" indicator, and a "SORT" button. The search results are displayed in two columns. The first result is "APA handbook of trauma psychology: Trauma practice, Vol. 2" by Gold, Steven N. (Ed), 2017. The second result is "APA handbook of trauma psychology: Foundations in knowledge, Vol. 1" by Gold, Steven N. (Ed), 2017. Each result includes a "+ SHOW ABSTRACT" button and an "EXPLORE TABLE OF CONTENTS" button. A red dashed arrow points from the text "Click Book Title" to the title of the first book.

CLICK!

In the blue explore tab,
click **Author Mapper**

Step 3

Select an Author

Selecting an author will bring up their publication history.

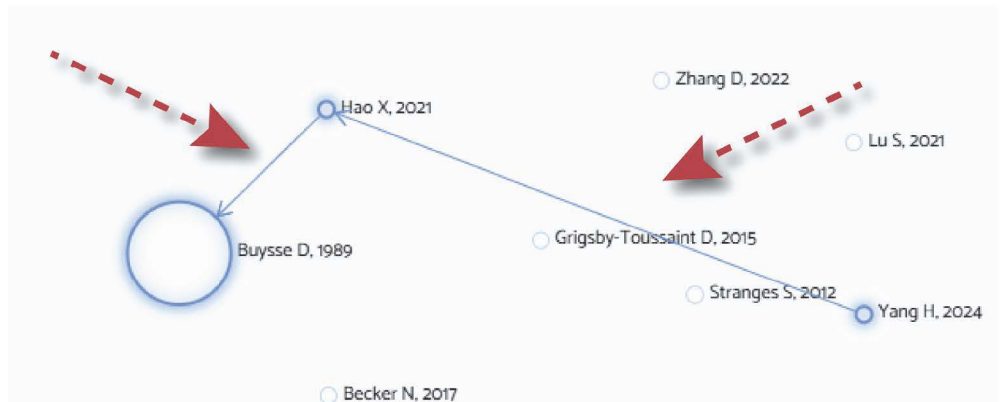

- **Select an author bubble**
- You will be able to view the author's publication history, as well as see relationships between other authors

Step 4

Explore Relationships

Arrows indicate citation relationships.

- Highlight relationships between cited authors
- Based on:
 - Publications in PsycInfo
 - Citations in PsycInfo
